THURSDAY HIGHLIGHT

WONDERS OF LUXOR

Objective: To reflect more deeply on the history and culture of Egypt

We will explore the most extraordinary archaeological treasures in Luxor:

- Valley of the Kings: Home to over 60 royal tombs, including the famous tomb of Tutankhamun.
- Valley of the Queens: Burial grounds of Egypt's powerful queens and royal children.
- Hatshepsut Temple: A breathtaking mortuary temple built for Egypt's most iconic female pharaoh.
- Tonight, experience the Nubian culture, one of Egypt's most unique heritages and the world's oldest civilizations. This colorful celebration will include folk dancing and traditional Nubian music.
